**THE LEOLUX VISITOR
CENTER**

Welcome to Leolux!

Want to see with your own eyes how a piece of Leolux designer furniture is created? Visit our visitor center “Via Creandi” (literally: the road to creation) in Venlo some time. Design, art, years of expertise and craftsmanship all come together here.

All Leolux furniture is produced to order by the experienced employees and with the help of cuttingedge technologies in our furniture factory in the Netherlands. Every piece of furniture is unique and made entirely to meet the personal needs of our customers.

Visitor center Via Creandi

We look forward to welcoming you in Via Creandi with a delicious cup of coffee and fresh Limburg cake. Our visitor center offers a fantastic view of the River Maas and is equipped with comfortable Leolux designer furniture and inspiring art.

During a guided tour of the Leolux furniture factory you get a headset, so you need miss nothing of the story our enthusiastic guides are telling. From the gangway you have a

perfect view of the factory and all the activities taking place here. So you experience the road that leads to the creation of unique Leolux furniture.

Leolux Museum

The tour takes you along a special exhibition of eighty years Leolux design. The furniture is placed in suitable settings, which reflect the times in which they were designed.

A unique custom-made event

Besides individual guided tours, Via Creandi is also ideal for group arrangements (maximum 60 persons), such as staff outings or a day out with your club. Looking for a special and art-minded location for a meeting, dinner or cocktails? We look forward to thinking with you about the possibilities to make your event a success. For more information, we invite you to contact us.
